

God created

the heavens and the earth

God made heaven and earth out of nothing. Instead of made out of nothing, we say created. God created the world in six days. He said: Let there be light, let there be sky. Let the waters be gathered into one place. Let the earth bring forth plants. Let there be lights in the sky. /the sun and the moon/. Let there be fish in the waters and birds in the air. Let there be other animals on the earth. Finally, God made man.
